**D** Bring the wine my lady **C**

**D**

Bring the wine my love

<b>D</b>	<b>Cadd9</b>
It s the time for loving	

D

It s the time

**D** **C**  
In a room where passions flow

**G** **D**  
Naked shadows as we go

**D** By a candle s steady light **C**

G D  
You and I in dead of night

**D**  
And I need you

**C**  
I love you so

D  
And I want you

C	D
You ll never know how much I love you	

**C**  
I can't let go

D  
And I m on you girl

C  
Like the evening sun

**G**  
Sets up on a hill

**C**  
When the day is done, oh baby

**D**  
Oh baby, go gently there

**D** You've got a way about you, don't you? **C** **G**

You re gonna stay that way now, won t you?
