

Goodnight My Love

Paul Anka

**E**                    **C#m**            **F#m**  
Goodnight, my love (wah-oooh)  
**B**                    **G#m**                    **C#m**            **F#m**  
Pleasant dreams and sleep tight, my love  
**B**                    **E**                    **C#m**            **F#m**  
May tomorrow be sunny and bright  
**B**                    **E**            **A**            **B**  
And bring you closer to me

**E**                    **C#m**            **F#m**  
Before you go (wah-oooh)  
**B**                    **G#m**                    **C#m**            **F#m**  
There s just one thing I d like to know (wah-oooh)  
**B**            **E**                    **C#m**            **F#m**  
If you love is still warm for me  
**B**                    **E**            **D#**  
Or has it gone cold?

**G#m**                    **D#**                    **G#m**                    **D#**  
If you should awake in the still of the night  
**G#m**            **D#**                    **G#m**  
Please have no fear  
**B**                    **F#m**                    **B**                    **F#m**  
For I ll be there, darling you know I care  
**B**                    **F#m**                    **B**  
Please give your love to me, dear, only

**E**                    **C#m**            **F#m**  
Goodnight, my love (wah-oooh)  
**B**                    **G#m**                    **C#m**            **F#m**  
Pleasant dreams and sleep tight, my love  
**B**                    **E**                    **C#m**            **F#m**  
May tomorrow be sunny and bright  
**B**                    **E**            **B**            **C#**  
And bring you closer to me

**F#**                    **D#m**            **G#m**  
Goodnight, my love (wah-oooh)
