Letra y acordes de My way

(Original: Comme d habitude. Letra y música de *Claude François, Jacques Revaux y Gilles Thibaut*)

RE# SOLm7/RE
And now, the end is near
DO#dim DO7
And so I face the final curtain
FAm FAm7/RE#
My friend, I'll say it clear
LA#/RE RE#
I'll state my case, of which I'm certain.

RE# RE#7
I've lived a life that's full
SOL# SOL#m
I've traveled each and every highway
RE# LA#
And more, much more than this
SOL# RE#
I did it my way.

RE# SOLm7/RE
Regrets, I've had a few
DO#dim DO7
But then again, too few to mention
FAm FAm7/RE#
I did what I had to do
LA#/RE RE#
And saw it through without exemption.

RE# RE#/RE RE#/DO# DO7
I planned each charted course
SOL# SOL#m
Each careful step along the byway
RE# LA#
But more, much more than this
SOL# RE#
I did it my way.

RE# RE#7
Yes, there were times, i m sure you know
SOL#
When i bit off more than i could chew

FAm LA#

But through it all when there was doubt
SOLm DOm

I ate it up and spit it out
FAm LA#

I faced it all and i stood tall
SOL# RE# LA#

And did it my way.

RE# SOLm7/RE

I’ve loved, I’ve laughed and cried
DO#dim DO7

I’ve had my fill; my share of losing
FAm FAm7/RE#

And now, as tears subside
LA#/RE RE#

I find it all so amusing.

RE# RE#/RE RE#/DO# DO7

To think I did all that
SOL# SOL#m

And may I say not in a shy way
RE# LA#

oh no, oh no not me
SOL# RE#

I did it my way.

RE# RE#7

For what is a man, what has he got
SOL#

If not himself, then he has naught
FAm LA#

To say the things he truly feels
SOLm DOm

And not the words of one who kneels
FAm LA#

The record shows I took the blows
SOL# RE#

And did it my way.

RE# RE#/RE RE#/DO# DO7
SOL# SOL#m RE# LA#

SOL# RE#

And did it my way...
