

Falling
Paul Baloche

Versel

I would like to walk this world with You, always
 Never want to be apart from You, O Lord
 I am sometimes overwhelmed by truth and Your ways
 Could it be that I was made for You, I'm blown away

CHORUS

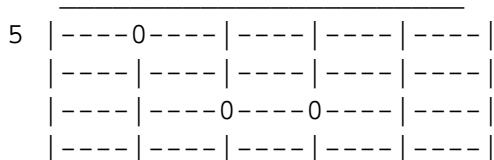

I am falling, I am falling in love
 I am falling in love, I am falling in love with You
 I am falling, I am falling in love
 I am falling in love, I am falling in love with You

Verse2

Would You stay and listen for a while, please stay
 And let me talk of how You make me smile, oh?
 I would like to leave it all behind, my ways
 But I get caught up in myself sometimes
 All I can say
