well if i ever quit my job

A

i could get another job

D

or maybe get a better job

A

but if i never quit my job

E

at least i got a job

A-D-A-E x2

D

if i moved out of my apartment

A

i could move any place

D

i could travel round the world

A

but if i moved out of my apartment

E

i d probably just move back home

A-D-A-E x2

D

well if i ever finished college

A

at least i would have finished something

D

what a lot of good that does me

A

if i never finish college

E

well i never finish anything
