Eb **Ab**
Snow bound siren in the winter dawn
Eb
There's a blizzard blowing in from off the river
Ab
It's ten below out on these city streets
EB
But the feeling in your heart is even colder
Bb
The sunrise screeching down the line

And the fogbanks running out of time
Eb
But you won't be here when they creep in tomorrow
Ab
You're tired of dreaming someone's else's dream
Eb
When they really don't include you any longer
Ab
Miles from home you're sliding down with each day
Eb
And you need a woman's love to make you stronger
Bb
And lately you've been having doubts

A voice inside keeps calling out
Eb
That someone else's dream don't get you nowhere
Eb **Ab**
So shut the suitcase kiss the year goodbye
Eb
Don't let nobody stop you at the doorway
Ab

And close the shutters on this empty room

Eb

Where these crazy dreams come crawling to devour you

Bb

And head on out across that line

Where she's been waiting all this time

Eb

And tell her that you want her there forever

Eb

Ab

It's still two hours till this plane gets down

Eb

Can hardly bear to wait another minute

Ab

Your sweet loving babe is all that I need

Eb

Darling it's been building up inside of me

Bb

Tonight we'll go and paint this town

We're gonna drink champagne till we both fall down

Eb

And we'll find some other crazy dream tomorrow
