Paul Brady Crazy Dreams written by Paul Brady

D G

Snow bound siren in the winter dawn

D

Thers s a blizzard blowing in from off the river

G

It s ten below below out on these city streets

EbE

But the feeling in your heart is even colder

Α

The sunrise screeching down the line

And the fogbanks running out of time

D

But you won t be here when they creep in tomorrow

G

You re tired of dreaming someone s elses s dream

D

When they really don t include you any longer

G

Miles from home you re sliding down with each day

D

And you need a woman s love to make you stronger

Α

And lately you ve been having doubts

A voice inside keeps calling out

D

That someone else s dream don t get you nowhere

So shut the suitcase kiss the year goodbye

D

Don t let nobody stop you at the doorway

G

And close the shutters on this empty room

D

Where these crazy dreams come crawling to devour you \boldsymbol{x}

And head on out across that line

Where she s been waiting all this time

D

And tell her that you want her there forever

ח

It s still two hours till this plane gets down

D

Can hardly beat to wait another minute

G

Your sweet loving babe is all that I need

ח

Darling it s been building up inside of me

Α

Tonight we ll go and paint this town

We re gonna drink champagne till we both fall down

D

And we ll find some other crazy dream tomorrow
