Paul Brady      Crazy Dreams      written by Paul Brady

**F** Snow bound siren in the winter dawn  
**Bb**  
**F** There's a blizzard blowing in from off the river  
**Bb**  
It's ten below out on these city streets  
**F#B**  
But the feeling in your heart is even colder  
**C**  
The sunrise screeching down the line  
  
And the fogbanks running out of time  
**F**  
But you won't be here when they creep in tomorrow  
**Bb**  
You're tired of dreaming someone's else's dream  
**F**  
When they really don't include you any longer  
**Bb**  
Miles from home you're sliding down with each day  
**F**  
And you need a woman's love to make you stronger  
**C**  
And lately you've been having doubts  
  
A voice inside keeps calling out  
**F**  
That someone else's dream don't get you nowhere  
**F** **Bb**  
So shut the suitcase kiss the year goodbye  
**F**  
Don't let nobody stop you at the doorway  
**Bb**

And close the shutters on this empty room

**F**

Where these crazy dreams come crawling to devour you

**C**

And head on out across that line

Where she's been waiting all this time

**F**

And tell her that you want her there forever

**F**

**Bb**

It's still two hours till this plane gets down

**F**

Can hardly beat to wait another minute

**Bb**

Your sweet loving babe is all that I need

**F**

Darling it's been building up inside of me

**C**

Tonight we'll go and paint this town

We're gonna drink champagne till we both fall down

**F**

And we'll find some other crazy dream tomorrow
