Oh Jenor Paul Gilbert \_\_\_\_\_ Oh Jenor - PAUL GILBERT \_\_\_\_\_ Tabbed by: Mike\_JV Another great acoustic song from Paul. I was watching his YouTube video and found a request for the chords, so here they are. \_\_\_\_ In this video Paul sometimes uses different positions for the same chord, I haven t listed them because it doesn t make a difference to the overall song, it still sounds killer! \_\_\_\_ Verse 1: С G F Oh Jenor, you better call me on the phone С G F Cause I ve been, just waiting for you all alone С E7 F D7 If you weren t so far away, I would make my move today F Dm G C But until then, I ll just have to write this song \_\_\_\_ Verse 2 (lyrics [ chords are same as verse 1 ]): Oh Jenor, your name is always on my mind You re better, than any girl that I can find If I had you here with me, I would try to make you see But until then, I ll have to sing this song \_\_\_\_ Bridge: Am Em F Dm C Everything I think of you, I try to tell myself this is crazy F Gsus4 G Am Em Dm

But if all my dreams come true, it would be so good to get yes from a maybe

\_\_\_\_ Interlude: Just play these chords. Paul does some fancy stuff here but I didn t have time to tab it out.
