Paul Kelly (Australia)

N.C.

Send me no more letters

D

Nor ask me how Iâ€™m going

Am G D

It might make you feel better

Am G D

But itâ€™s none of your business knowing

Am G D

Itâ€™s none of your business now

Am G D

You say you regret it

Am G D

And hope we can be friends

Am G D Am

You really just donâ€™t get it

G D

None of this business can mend

Am G D

And itâ€™s none of your business now

D

Ha ha ha ha

Am G D

Once we had the real thing

Am G D

Nothing could compare

Am G D Am

But it was really nothing

G D Am

A hell of a business yeah yeah

G D

And none of our business now

Am G D

So go and find another

Am G D

Or write a stupid song

Am G D

To help yourself get over

Am G D

Youâ€™re none of my business â€” so long!

Am G D

Youâ€™re none of my business now

Am G D

Oh, please don't send me letters

Am G D

Or knock upon my door

Am G D Am

I'm on the way to better

G D Am

I'm none of your business no more

G D Am

I'm none of your business now

G D Am

I'm none of your business no more

G D

I'm none of your business now

D

Ha ha ha ha ha ha ha ha
