=====
Beggar on the Street of Love
by Paul Kelly
=====

G C G C
In my time I have been a rich man given favours

G C G C G
All the world at my feet and it s many different flavours

Em G C D
I sucked it all dry now I realise

G C D
I m a beggar on the street of love

G C D
I m a beggar on the street of love

G C D
I m a beggar on the street of love

G C G
All the rest have no charm

C
There s nothing they can give me

G C G
What I want makes me poor

C G
In this great big world of plenty

Em G C D
I m holding out my cup only you can fill it up

G C D

I m a beggar on the street of love

G C D

I m a beggar on the street of love

G C D *

I m a beggar on the street of love

C G Am C D Em

On my own I m standing so patiently

G Am

And my heart keeps calling

F D G

Calling out for you to see

C D G

You look right through me and you pass me by

C D

You look right through me and you pass me by

* - CODA

D G C D

I m a beggar, I m a beggar.

Repeat and then fade.

Take my hand, lead me to
Your loving milk and honey
Cover me, keep me from
The night so cold and rainy
Please, I m down on my knees
I m a beggar on the street of love.
