2.Then the word on the wire

Would be just like Ash Wednesday bush fire
Kiss me quick, kiss me warm
Put your dress on and hurry back home
Don t stand so close to the window
Somebody out there might see
And you re not supposed to be here with me

3.Instrumental

4.There s a way, there s a track

One false move and there s no turning back
Turn the page, close the book
Walk out the door now with never a look
And don t stand so close to the window
Somebody out there might see
And you re not supposed to be here with me
The walls have ears and the darkness has eyes don t you see?
