Dumb Things - Paul Kelly (Yeah!)

=====

I think this is pretty close - sounds close to the CD.
It works for me anyway!

(4/4)

[Intro]

Am Em Am Em Am Em Am C G D
|-----|-----|-----|-----|

[Verse]

Am Em Am Em
Welcome stranger to the show
Am Em Am C G D
I m the one who should be ly-ing low
Am Em Am Em
Saw the knives out, turned my back
Am Em
Heard the train coming
Am C G D
stayed out on the track

[Chorus]

F C
In the middle, in the middle
Em F
In the middle of a dream
Am Em F C
I lost my shirt, I pawned my rings
G D Am Em
I ve done all the dumb things

[Verse 2]

- Same Progression as Verse 1

Caught the fever, heard the tune
Thought I loved her, hung my heart on the moon
Started howling, made no sense
Thought my friends would come to my defence

[Verse 3]

- Same Progression as Verse 1

And I get all your good advice
Don't stop me from going through all these things twice
I see the knives, out I turn my back
I hear the train coming, I stay out on the track

[Verse 4]

Am **Em** **F** **C**
I melted wax to fix my wings
Am **Em** **F** **C**
I threw my hat into the ring
Am **Em** **F** **C**
I thought that I just had to sing
G **D** **Am**
I've done all the dumb things

[Outro]

Em Am Em Am Em Am C G D
Ends with single strum of Am

Enjoy!
