Em C Em
My name is John Johanna, I am misunderstood.

D C Em
Lately I have been accused of greivous murder in cold blood.

C Em
My mission is most righteous, my cause is true and just.

D C Em
The wicked need chastisement, you know it s either them or us.

C Em D Em C Am Em
Mmm God told me to, I did what I had to do. Yes God told me to.

Em C Em
All around me empty chatter, the wise men wring their hands
D C Em
and meanwhile in broad daylight, satan gathers his unholy bands.
C Em
The mighty strength of angels carries me on my seeking flight,
D C Em
my anger is a hammer. You know not its power or the hour it strikes.

C Em D Em C Am Em
God told me to, I answer not to them or you. Yes God told me to.

Em C Em
Seven Golden candles flaming, bring forth the son of man.
D C Em
In his mouth a two edged sword, seven stars shining in his right hand.
C Em
The beast has eyes before him, the beast has eyes behind.
D C Em
Those not with me are against me. They surely gonna feel my holy fire.

C Em D Em C Am Em
God told me to, to thine own self be true. God told me to.
C Em D Em C Am Em

Mmmm God told me to, I just did what I had to do. Cause God told me to.

C Am Em

Cause God told me to.

Lifting on and off the Em as well as the C 332010 to 330010. I believe this is pretty close, comments correction and/or rating appreciated. Enjoy!
