

I Close My Eyes And Think Of You
Paul Kelly

Don't know how accurate this is but it sounds right when you're having a sing along.

Just strum the Esus4 once at the end of each line to break up the E chord.

E (Esus4)
When another day has ended
E (Esus4)
And everything's been said and done
E (Esus4)
And the lights across the valley
E
All go out one by one

A **E**
I close my eyes, I close my eyes and think of you
B **A** **E**
I close my heavy eyes, that's all I need to do

Rest of the song is the same the whole way through...
