

**I Close My Eyes And Think Of You**  
**Paul Kelly**

Don't know how accurate this is but it sounds right when you're having a sing along.

Just strum the Esus4 once at the end of each line to break up the E chord.

**D** (Dsus4)  
When another day has ended  
**D** (Dsus4)  
And everything's been said and done  
**D** (Dsus4)  
And the lights across the valley  
**D**  
All go out one by one

**G** **D**  
I close my eyes, I close my eyes and think of you  
**A** **G** **D**  
I close my heavy eyes, that's all I need to do

Rest of the song is the same the whole way through...
