

Little Kings

Paul Kelly

Dm C G F C

I m so afraid for my country
There s an ill wind blowing no good
So many lies in the name of history
They want to improve my neighbourhood

Dm C G F C

I m so worried about my brother
He just gets sadder every day
We gotta take care of each other
Or else we re gonna have to pay

Dm F

In the land of the little kings

C Am

There s a price on everything

Dm F

And everywhere the little kings are

C Am

Getting away with murder

Dm C G F C

I was born in a lucky country
Every day I hear the warning bells
They re so busy building palaces
They don t see the poison in the wells

Dm F

In the land of the little kings

C Am

Profit is the only thing

Dm F

And everywhere the little kings are

C Am

Getting away with murder

Dm F

In the land of the little kings

C Am

Justice don t mean a thing

Dm F

And everywhere the little kings are

C

Am

Getting away with murder
