

**Little Kings**  
**Paul Kelly**

**Dm C G F C**  
I m so afraid for my country  
There s an ill wind blowing no good  
So many lies in the name of history  
They want to improve my neighbourhood

**Dm C G F C**  
I m so worried about my brother  
He just gets sadder every day  
We gotta take care of each other  
Or else we re gonna have to pay

**Dm F**  
In the land of the little kings  
**C Am**  
There s a price on everything  
**Dm F**  
And everywhere the little kings are  
**C Am**  
Getting away with murder

**Dm C G F C**  
I was born in a lucky country  
Every day I hear the warning bells  
They re so busy building palaces  
They don t see the poison in the wells

**Dm F**  
In the land of the little kings  
**C Am**  
Profit is the only thing  
**Dm F**  
And everywhere the little kings are  
**C Am**  
Getting away with murder

**Dm F**  
In the land of the little kings  
**C Am**  
Justice don t mean a thing  
**Dm F**  
And everywhere the little kings are
