verse 1. Well it hasn't changed yet, each
time I

wake in a sweat and the sun has slipped out of the sky as I

get to my feet and struggle to dress, all my fingers are thumbs there's a

fog in my brain only one thing is clear I'm late for my train And I

|Bm |D/A |A |
|
know all at once, that it's goodbye my one I'll be here when you're gone

vers2. Then I stumble outside

Try to flag down a ride
But the taxis just pass me by
So I run down the street
Jump on a slow bus
When I get to the station
The train is still there
I can't find my ticket
Everybody just stares
And I'm turning to stone
As the train starts to groan
I just can't get on

chorus
