verse 1. Well it hasn't changed yet, each time I

|A |E |A |
 wake in a sweat and the sun has slipped out of the sky as I

|E |A |D |
 get to my feet and struggle to dress, all my fingers are thumbs there's a

 fog in my brain only one thing is clear I'm late for my train And I

|Bm |D/A |A |
 know all at once, that it's goodbye my one I'll be here when you're gone

vers2. Then I stumble outside

Try to flag down a ride
 But the taxis just pass me by
 So I run down the street
 Jump on a slow bus
 When I get to the station
 The train is still there
 I can't find my ticket
 Everybody just stares
 And I'm turning to stone
 As the train starts to groan
 I just can't get on

chorus

 I can see to - morrow Long black train I
