

**Song From The Sixteenth Floor**  
**Paul Kelly**

Capo 5

**G C Am F**  
**G C**

Something s frying **G C**

On the floor below **G C**

I m leaning out **G F**

Of my window **G C**

The sky s on fire **G C**

The streets all aglow **G C**

And somebody s singing **G F**

To the radio **G**

**G C**  
I would jump from the sixteenth floor

**Am F**  
If I only could get next to you

**G C**  
Put my head in a lions jaw

**Am F G C**  
If I only could get next to you next to you

**G C**  
I m walking the floor

**G C**  
I m climbing the walls

**G F**  
I wake up from dreaming

**G**  
That s when I fall

**G C**  
I would jump from the sixteenth floor

**Am F**  
If I only could get next to you

**G C**  
Put my head in a lions jaw

**Am** **F**  
If I only could get next to you next to you  
**G** **C**  
Take a ride on a wrecking ball  
**Am** **F**  
Yes I would darling  
**Dm** **G**  
Every day I speak your name  
**Dm** **G**  
If I had wings I d fly  
**Dm**  
Cause you re not here to hold me

**G** **C**  
I would jump from the sixteenth floor  
**Am** **F**  
If I only could get next to you  
**G** **C**  
Put my head in a lions jaw  
**Am** **F**  
If I only could get next to you next to you  
**G** **C**  
Take a ride on a wrecking ball  
**Am** **F**  
Yes I would darling  
**Dm** **G**  
Every day I speak your name  
**Dm** **G**  
If I had wings I d fly  
**Dm**  
There s no one here to hold me

Funky Instrumental Bit - Mostly C and G I think

**G** **C** **Am** **F**  
I d walk on burning coal  
**G** **C** **Am** **F**  
I d sell my only soul  
**G** **C** **Am** **F**  
I would jump from the sixteenth floor  
**G** **C** **Am** **F**  
Put my head in a lions jaw (yes I would)  
**G** **C** **Am** **F**  
Take a ride on Niagara Falls  
**G** **C** **Am** **F**  
Over broken glass I would crawl

Ad lib - fade - or a quick G C like through the song is a good way to wrap up quickly

My second tab - happy for feedback vstackpole@iinet.net.au
