Note: The chord name Dsus is a bit of a guess, but it sounds like 2nd string-3rd fret plus 3rd string-2nd fret (relative to the capo). I've seen it called Asus4 somewhere else.

Capo II

**G**            **C**            **D**  
**G**            **Em**          **Dsus**

**G**                    **C**          **D**          **G**          **Em**          **Dsus**

you stand there looking so surprised

**G**          **C**          **D**          **G**          **Em**          **Dsus**

sad confusion in your eyes

**Am7**                    **G**          **D**

i know what you're going through

**Am7**                    **G**          **D**

but baby i've been there too

**Em**          **Am**          **D**

and it hurts

**G**          **C**          **D**          **G**          **Em**          **Dsus**

you say i play a cheating game  
i never keep the rules the same  
i learned a thing or two  
what i learned i learned from you  
and it works

**G**          **C**          **D**                    smooth change into bridge

**Em**                    **C**                    **G**    **D** (listen for the toggles)

you put the weapon in my hand

**Em**    **C**                    **G**    **D**

you made me what i am

though everything is turned around  
down is up and up is down  
you got your fingers burned  
your little worm has turned  
in the dirt
