

These Are The Days
Paul Kelly

Capo on 5th Fret

Am **F**
I got a long-legged girl
C
We go all around the world

Am **F** **C**
No one knows the shape we re in

{This is the same for basically the rest of the song}

In a first floor yellow room
In the middle of the afternoon
We breathe out and we breathe in

We re giving it all away
We re giving it all away
These are the days, these are the days

She don t believe in God
Or Jesus Christ our Lord
But she likes to call their names
She wants a little baby child
And she s running out of time
She needs a man who wants the same

We re giving it all away
We re giving it all away
These are the days, these are the days

TIP: The barred F sounds better
