

**These Are The Days**

**Paul Kelly**

Capo on 5th Fret

**Am**                      **F**  
I got a long-legged girl

**C**  
We go all around the world

**Am**                      **F**                                      **C**  
No one knows the shape we re in

{This is the same for basically the rest of the song}

In a first floor yellow room  
In the middle of the afternoon  
We breathe out and we breathe in

We re giving it all away  
We re giving it all away  
These are the days, these are the days

She don t believe in God  
Or Jesus Christ our Lord  
But she likes to call their names  
She wants a little baby child  
And she s running out of time  
She needs a man who wants the same

We re giving it all away  
We re giving it all away  
These are the days, these are the days

TIP: The barred F sounds better
