C D G
When I first met your Ma

When I first kissed your mother
I was single once again
We walked through Fitzroy gardens,
There she took my hand
We could not stop our kissing
Then she whispered in my ear
Soon you ll get to know me
So lets not go too far
When I first met your ma

C D G
Love like a bird flies away
C D G C
you ll find out the only way
D G C/G G C/G G
Love like a bird flies away

When we first lay together,
Inside her fathers house

we tried so to be quiet
As we held each other close,
And then her dad came pounding
Kicked me out of there
I walked two miles in Melbourne rain
I could have walked ten more
When I first loved your Ma

Love like a bird flies away
You ll find out the only way
Love like a bird flies away.
