Bluejean baby with your big blue eyes.
Don't want you looking at other guys.
Got to make you give me one more chance.
I can't keep still so baby let's dance.

Well, bluejean baby when I bop with you
well, my heart starts a hopping.
Like a kangaroo my feet do things
they've ever done before.
Well, bluejean baby, give more, more, more.

Bluejean bop, bluejean bop a baby.
Bluejean bop, bluejean bop a baby.
Bluejean bop, baby won't you bop with me.
(Yeah, rock me again)

Bluejean bop, bluejean...

Well, a bluejean bop, bluejean bop a baby.
Bluejean bop, bluejean bop a baby.
Bluejean bop, baby won't you bop with Gene.
