[Chorus]

D

You used to be my confidante

D

My underneath-the-staircase friend

D

But I fell out of love with you

D

And brought our romance to an end

G/D

I played with you throughout the day

D

And told you every secret thought

G/D

Unlike my other so-called friends

D

You stood beside me as I fought

[Verse 1]

In your reflected glory, I

Could dream of shining far off lands

Em

Where serpents turn to bits of string

G6

And played like kittens in my hand

[Verse 2]

In our imaginary world

Where butterflies wear army boots

G/D

And stomp around the forest

Chanting long lost anthems
