They can t take it from me if they tried
D D9/E
                    D/F# G
I lived through those early days
      D9/E
                D/F#
So many times I had to change the pain to laughter
             D/F#
      D9/E
Just to keep from getting crazed
(D F#m7 G D)
        D9/E
                     D/F# G
Dressed in black from head to toe, two guitars across our backs
     D9/E
           D/F#
We would walk the city roads
     D9/E
                  D/F#
Seeking someone who would listen to the music
D D9/E
               D/F#
That we were writing down at home
           D9/E
                    D/F#

But they can t take it from me if they tried

Hair slicked back with Vaseline like the pictures on the wall

Of the local record shop
