

**For No One**

**Paul McCartney**

**Bb**                      **Bb/A**  
Your day breaks,    your mind aches,  
**Gm**                      **Bb/F**                      **Eb**  
you find that all her words of kindness  
                         **Ab**                      **Bb**  
linger on when she no longer needs you.

She wakes up, she makes up,  
she takes her time and doesn't feel she  
has to hurry she no longer needs you.

**Cm**                      **G**  
And in her eyes you see nothing,  
**Cm**                                      **G**                      **Cm**  
no sign of love behind the tears  
                         **G**  
cried for no one,  
**Cm**    **G**                      **Cm**                      **Fsus4-F**  
a love that should have lasted years.

You want her, you need her,  
and yet you don't believe her when she says  
her love is dead; you think she need you.

And in her eyes...

You stay home, she goes out,  
she says that long ago she knew someone  
but now he's gone; she doesn't need him.

Your day breaks, your mind aches,  
there will be times when all things she said  
will fill your head, you won't forget her.

And in her eyes...
