Well, I came and I went and my guitar got bent.

But I discovered that the people who love
are what we need if weâ€™re to get up above it all.
And thatâ€™s that unless the world is flat.

I wanna get it ,mm, mm.
I wanna get it just in case
it doesnâ€™t come around again.
I wanna get it ,mm, mm.
I wanna get it and I wanna get it good.

Pardon me if Iâ€™ve been misunderstood.
I wanna get it while the going is good.
The telephone rang about a song I sang.

The life of Cadillac and ultra for sure,
is automatic for the Lady Demure.
She came and she went without a single dent.

Youâ€™ve got to get it, mm, mm....

Come on, letâ€™s get it, mm, mm....

Youâ€™ve got to get it, mm, mm....
