I was thinking about that summer so long ago,  
**Em** **D** **C** **D**  
pack up your bags and yell "Geronimo".  
**Em** **F** **Em** **F**  
That was the golden summer. Wasn't it hot?  
**Em** **F**  
We laughed a lot that summer, laughed a lot.

Laughing at the good times coming.  
Laughing at the good times coming in.  
Good times coming, laughing at the good times coming in.

There was something about a the weather, what can I say?  
Nothing like any other holiday.  
That was a silly season was it the best?  
We didn't need a reason, just a rest.

Happy at the good times coming.  
Happy at the good times coming in.  
Good times coming, happy at the good times coming in.
