```
E                      A                      E  
Well she was just seventeen, if you know what I mean,  
                      B7  
And the way she looked was way beyond compare,  
    E          E/G#          A          C  
So how could I dance with another  
    E          B7          E  
when I saw her standing there
```

Well she looked at me, and I, I could see,  
That before too long I d fall in love with her  
She wouldn t dance with another  
When I saw her standing there

```
A  
Well my heart went boom when I crossed that room,  
                      B          A  
And I held her hand in mine...
```

Well we danced through the night, and we held each other tight,  
And before too long I fell in love with her  
Now I ll never dance with another  
Since I saw her standing there

```
E          B7          E  
Since I saw her standing there  
    E          B7          E    A E7  
Since I saw her standing there
