

Lonely Road

Paul McCartney

C **Em**
I tried to get over you
C **Em**
I tried to find something new
C **G**
but all I could ever do
D **C** **Bm** **Am**
was fill, my time, with thoughts, of you

I tried to go somewhere old
to search for my pot of gold
but all I could ever hold
inside, my mind, were thoughts , of you

Em **Am**
I hear your music and it s driving me wild
Em **Am**
Familiar rhythms in a different style
Em **Am** **C** **B7**
I hear your music and it s driving me wild again yeahh

dont want to let you take me down
dont want to get hurt 2nd time around
dont want to walk that lonely road again yeahh
