

## Lonely Road

Paul McCartney

**C** **Em**  
I tried to get over you  
**C** **Em**  
I tried to find something new  
**C** **G**  
but all I could ever do  
**D** **C** **Bm** **Am**  
was fill, my time, with thoughts, of you

I tried to go somewhere old  
to search for my pot of gold  
but all I could ever hold  
inside, my mind, were thoughts , of you

**Em** **Am**  
I hear your music and it s driving me wild  
**Em** **Am**  
Familiar rhythms in a different style  
**Em** **Am** **C** **B7**  
I hear your music and it s driving me wild again yeahh

dont want to let you take me down  
dont want to get hurt 2nd time around  
dont want to walk that lonely road again yeahh
