

No More Lonely Nights

Paul McCartney

I can t wait another day until I call you
 You ve only got my heart on a string and everything a flutter
 But another lonley night
 might take forever
 We ve only got each other to blame
 It s all the same to me love
 Cause I know what I feel to be right

 You re my guiding light

 Day or night I m always there

May I never miss the thrill of being near you
 And if it takes a couple of years
 To turn your tears to laughter
 I will do what I feel to be right
