C **C°** **G7sus4**
And if you take your love away from me
Fm/G
I m only going to want it back
C **C°** **G7sus4**
I ll probably pretend I didn t see
Fm/G **Am7** **F7**
But knowing me I want you back again and again
Dm7 **G**
Til the world has lost its meaning
F **C**
And love is all that stays
Fm **C** **Fm** **C** **Fm** **C**
Only love remains

If you should ever feel that something s wrong
I m going to want it put it right
To bring a happy ending to our song
I ll carry on believing in a love
If your love was to trickle through my fingers
What would it leave me with
Only love remains
Only love remains

Changing it into a pearl
Bb **C**

Making another magic transformation

G **F** **C** **Fm**

Find the right boy for the right girl

When all our friends have gone away and we re alone

There s nothing left to shout about

Together we ll explore the great unknown

I d say we won t be going out tonight

Let tonight be the one that we remember

When love is all that stays

Only love remains

When love (only love) is all that stays (love remains)

Only love remains

Only love (only love) remains (love remains)
