

Singing The Blues

Paul McCartney

Well, I never felt more like singing the blues
and I never thought that I d ever lose your love.
Why did you do me this way?

Well, I never felt more like crying all night.
Everything s wrong but nothing is right without you,
you ve got me singing the blues.

Well, the moon and the stars no longer shine,
that dream is gone, I thought was mine.
There s nothing left for me to do
but cry over you. Cry over you.

Inter: with chords of the first part.

Well, I never felt more like running away,
and why shouldn t go couse I couldn t stay without you,
you ve got me singing the blues.

Well, the moon and the stars...

Well, I never felt more like...

Well, the moon and the stars...

Well, I never felt more like...
You ve got me singing the blues.
You ve got me singing the blues.
