

Somebody Who Cares

Paul McCartney

Am
When your body is coming
Em7 **F**
apart at the seams
C **G** **E**
and the whole thing s feeling low,
Am **Am7+**
you re convincing yourself
Am **Am6** **FMaj7**
that there s nobody there, I know,
F **Em7**
I know how you feel.

Like somebody has taken
the wheels of your car,
when you had somewhere to go,
well it s annoying
not going to get very far.
I know, but somebody cares.

A **Bm7**
There s always someone,
E **F#m**
somewhere you should know by now.
D **A**
Always somebody who cares
A **Bm7** **E**
it s happening day in, day out
F#m
well you know by now
D **A**
always somebody who cares.
Em7 **Dm7**
If you don t know it, how will it find you?
Em7 **F**
How will we know your whereabouts?

[**Em7** **Dm7** **Em7** **F**]
F **E7**
But I know how you feel.

Inter: with chords of the first part.

I know how you feel.

Like somebody has taken
the wheels of your car,

when you had somewhere to go,
well it s frustrating
not going to get very far.
I know, but somebody cares.

There s always someone,...

[**Em7** **Dm7** **Em7** **F**]

I know how you feel.
