INTRO: **Em7**

**Em** **A G Em**

Can I get you to give me a minute of your time

**A B**

Can I get you to slip me the answer

**Em** **A**

Can I get you to show me a little of your mime

**G A F Em G F Em**

You were always a very good dancer

I d be happy to show you a bit of what I found

I d be happy to share in its beauty

I d be happy to lay low inevitably bound

I would only be doing my duty

**A C**

I wait, I wait, I can wait

**G7**

I can wait back in the bar, I can wait, I can wait

**A7**

I can wait back in the car, I ll be waiting for you

**D C**

Stranglehold, you know you ve got one on me

**G D**

I don t wanna go without you

**C**

Stranglehold, you ve got me where you want me

**G D**

But I wanna know more about you

**C G D**

I wanna know more about you

Are you willing to wager a little of your life

Are you willing to take such a gamble

Are you ready to walk on the edge of the knife

Then I think we can skip the preamble

I wait, I wait, I can wait

I can wait back in the bar, I can wait, I can wait

I can wait back in the car, I ll be waiting for you

**A7/G**

I ll be waiting

Stranglehold, you know you ve got one on me  
I don t wanna go without you  
Stranglehold, you ve got me where you want me  
But I wanna know more about you  
I wanna know more about you

I can wait back in the bar, I can wait, I can wait

**Em7**

I can wait back in the car, I ll be waiting for you
