What can I do, that day is done

I said I'd walk in her parade
Hot scalding tears I thought would flow
Still in my heart they'll never show

E Bb/C
That day is done

Well I recall the time and place
When they announced her precious face
I thought at once my heart would burst
Still every time is like the first

There was applause when she stepped up
I wished that I could interrupt
I made no sign, I made no sound

I know I must stay underground

That day is done, that day is done

You know where I've gone

I won't be coming back

E Bb/C Eb Bb/D C

That day is done

F

F#o

That's why she walks, or so they say

C

C7

She always knew just what I needed

F

G

G+

One time before they proceed

She sprinkles flowers in the dirt

That's when a thrill becomes a hurt

I know I'll never see her face

She walks away from my resting place

That day is done, that day is done

You know where I've gone

I won't be coming back

That day is done
