

This One

Paul McCartney

A5 **F#5**
Did I ever take you in my arms
C#5 **D5**
Look you in the eye, tell you that I do
A5 **E5**
Did I ever open up my heart
A5
And let you look inside

E7sus4 E **A** **F#m**
If I never did it, I was only waiting
Bm E **A**
For a better moment that didn't come
E7sus4 E **A** **F#m**
There never could be a better moment
Bm7 E **A**
Than this one, this one

The swan is gliding above the ocean
A god is riding upon his back
How calm the water and bright the rainbow
Fade this one to black

Did I ever touch you on the cheek
Say that you were mine, thank you for the smile
Did I ever knock upon your door
And try to get inside

If I never did it, I was only waiting
For a better moment that didn't come
There never could be a better moment
Than this one, this one

The swan is gliding above the ocean
A god is riding upon his back
How calm the water and bright the rainbow
Fade this one to black

D **E** **A** **F#m**
What opportunities did we allow to flow by
G **Em** **A**
Feeling like the timing wasn't quite right
D **E** **A** **F#m**
What kind of magic might have worked if we had stayed calm
G **E**
Couldn't I have given you a better life...

better life...
