

Through Our Love  
Paul McCartney

Through our love

Music and Lyrics by : Paul Mc Cartney  
Album: PIPES OF PEACE (1983)

Comment: Originally this song is played with a capo 2 on the first part then capo 3 on the reprise, But if you don't have the same high voice like Paul, I advice you to play (like I do) without any capo at first ,then a capo 1 on the reprise.
