

might take you for a ride.

And I need love, yeah I need love.  
Like a castle needs a tower,  
like a garden needs a flower.  
Yeah I need love, say I need love.  
Like a raindrop needs a shower,  
like a second needs an hour.  
Every minute of the day  
and it wouldn't be the same  
if you ever should decide to go away.

Don't go jumping waterfalls,  
please keep to the lake.
