

**Now That Ive Found You**  
**Paul McDonald**

Howdy! put your capo on the 6 fret (original tuning)! Enjoy (:

Intro: **G Em C G D**

**G**

I hope your eyes just smile forever  
Only once I told a lie

**Em**

I hope these days go on forever,

**C**

And I m always right by your side.  
You re all I want to know

**G**

**D**

For the rest of my life!

**G**

I can t help what time is done,  
And how long I ve had to wait

**Em**

Now I found your hand in mine

**C**

I hope I didn t come too late

**G**

**D**

There s no beauty like your face in the morning light!

Chorus:

**C**

**G**

And all my life I have been so scared

**C**

**G**

And I never knew I never wanted you there

**Em**

I ve been broke, been bust, been snared

**C**

So love lost and under-prepared, baby  
But now that I found you, now that I ve got you

**D**

**G**

I ve got everything, my dear!

**C**

**G**

Cause you mean everything to me, my dear,

**C**

**D**

You mean everything to me my dear!

**Em**

**C**

I see you in my thoughts, and I hear you in my sleep

And now that I ve found you,

Now that I ve got you

**G**

**Em**

I ve got everything!

And the feeling that you give me is like a runaway train

If I hold you like i want to, then you d never go away

My dear, hear me when I say!

Chorus:

And all my life I have been so scared  
And I never knew I never wanted you there

I ve been broke, been bust, been snared

So love lost and under-prepared, baby  
But now that I found you, now that I ve got you

I ve got everything, my dear!

I love you sleeping with your socks on

And I love your laughter in our house

I love your smile in the morning

And I love your head upon my chest

I miss your kisses in the evening  
(Baby when you re away)

And I miss my hands on your hips  
(baby when you re away)

And I miss the smell of your perfume

And the lipstick on your lips!

Chorus:

And all my life I have been so scared  
And I never knew I never wanted you there

I ve been broke, been bust, been snared

So love lost and under-prepared, baby  
But now that I found you,

now that I ve got you

Now that I found you

**D**

Now that I ve got you

**C**

Now that I found you

**D**

Now that I ve got you

**G**

I ve got everything my dear!
