You are moving on a crowded street
Am G
Through various shades of people

In the summers harshest heat
Am G
A story in your eye
Am E7 Am F
Well, speak until your minds at ease

C /E F Am/E
Ten years come and gone so fast

I might as well been dreaming
C /E F Am/E
Sunny days have burned a path
G

Across another season
Am E7 Am F
A fortune rises to the sky
C /E F Am/E
Ten years come and gone so fast

G C F/C
You are driving down an empty road
Am
Beside a shady river

When the sky turns dark as stone
Am G
The trees begin to shiver
Am E7 Am F
The grace of God is nigh

C /E F Am/E
Ten years come and gone
G
And that flash has never been forgotten
C /E F Am/E
Sunny days have burned a path

How do the powerless survive
C /E F Am/E G
Ten years come and gone so fast
