Silent Eyes Paul Simon

G#m Emaj7

Silent Eyes

E7 B B/A G#m7

Watching Jerusalem

No One will comfort her;

Jerusalem

C#m7 A

She is sorrow Sorrow She burns like aflame And she calls my name

Silent Eyes

Burning

In the desert sun

Halfway to Jerusalem

And we shall all be called as witnesses

Each and every one

To stand before the eyes of God

And speak what was done
