

Second To None
Paul Stanley

Introdução: **G C9 Dsus4 D Dsus4 Dsus4** (deixe soar)

Faça a levadinha do violão:

G **C9**
We both had stories, loves, and lifetimes before
Left us wanting for more
But it kept us on that journey
With everyone we meet, we open the door
There were others for sure, but they never got to know me

D **Bm**
It s all a way to a life worth living
G **Em7**
So don t mistake what I m givin

G **C9** **Dsus4 D D9**
When every day is done I only wanna run to you
Em7
Let me hear the words I m sayin
G **C9** **Dsus4 D D9**
When you re in trouble I will be the one to pull you through
Em7
You might not be the first
Dsus4 D D9 **G** (Deixe soar)
But for me your always second to none...

(Repete verso) (**G C9**)
Sometimes the fears we have will get in the way
And the things that people say can make it so much harder
The chance for love can look you right in the eye
Yet it passes you by

(Repete pré-refrão) (**D Bm G Em7**)
So live a life with no happy ending
But I won t lose it all pretending

(Repete refrão)
When every day is done I only wanna run to you
Let me hear the words I m sayin
When you re in trouble I will be the one to pull you through
But for me your always second to none

(**F#m Bm C#m A**)
Life has a way of making things brighter, lighter
Don t throw it away, it takes a way to see clearly
Believe me

Solo: (G C9 Em7)

(Repete estrofe e refrão)

It s all a way to a life worth living

So don t mistake what I m givin

When every day is done I only wanna run to you

When you re in trouble I will be the one to pull you through

But for me your always second to none...

When every day is done I only wanna run to you

Let me hear the words I m sayin

When you re in trouble I will be the one to pull you through

You might not be the first

But for me your always second to none...

Ooh-ooh

Second to none...
