[G]Me[Gsus]anings [G]will [F]change[Em] as you learn to [D]grow

And all that is [Am]known[C] becomes suddenly [D]old.

And that which you [Am]have[C] to last you til the [D]end

Turns out to [Am]be j[C]ust A passing [G]friend.[C/G-bass]

[G]

[C/G-bass]

And would you spend your life away

Collecting great treasures so you d be safe some day

And when you re old and when you re gray

Meanings will change, life s just that way.

When you re finally sure you think you understand

All about living and life s demands

Someone will touch you, and you ll see again

Meanings will change, you just can t win.

[G] [F] [Em] [D]

So don tca worry bout your money, don tcha worry about fame

It s all a conspiracy, all part of the game

Yet you re the conspirator, the silent enemy

And you re the victim . . . you ll finally see.

After you get to where you have to be

After you own everything you see

And when meanings don t change about the things you knew

You may as well die, it s all over for you.

And if you re wise and if you know

What few things are real, which never grow old

Then take them now and make you a start

With a simple life, and a simple heart.

[G] [F] [Em] [D]
