Paul Thorn - It s A Great Day

Transcribed by DWdrummer67. This is a great campfire tune, and as usual...
Enjoy!

Tuning: Standard

E **A** **E**
Have you ever had one of those days when nothinâ€™ goes right
E **B**
Your wife starts bitchinâ€™-â€™bout whatever it was she was bitchin about last
night
E **A** **E**
So you escape into the bathroom, just to sit there on your thrown
E **B** **E**
But after you finish your business, the toilet paper s gone

Chorus:

E **A** **E**
Well it s a great dayâ€™| for me to whoop somebody s ass
E **B**
It s a bad dayâ€™| so you better get off my back
E **A** **D**
You might get cold cockedâ€™| if you cross my path
E **B** **E**
Cuz it s a great dayâ€™| for me to whoop somebody s ass

E **A** **E**
Well I was runnin late for work, so I poured me some coffee to go
E **B**
And just before I had a flat tire, I spilled it all over my clothes
E **A** **E**
When the highway patrol man pulled up, I thought that help was on the way
E **B** **E**
But when he saw the tire tool in my hand, he shot me with pepper spray

Chorus: Repeat

E **A** **E**
When I finally made it to work, I was fifteen minutes late
E **B**
I told my boss about the flat tire, but he fired me anyway
E **A** **E**
So here I am out in the parking lot, just waiting by his Corvette
E **B** **E**
I m gonnaâ€™ give him a goodbye present, that he never will forget

Chorus: Repeat

Note: Accent some of the E chords with a D note by using your 4th finger on the 3rd b string. You need to play your Es in a "non-barre friendly" position, using your on the first fret.
