

All On A Misty Morning
Paul Weller

A5 **D**
I come to you when you least expect
A5 **D7**
I call to you to come with me now
A5 **D** **A5**
I ask of you to drop all things of absolution
G **D** **A5**
And whatever may be in your hands

D **A5**
All on a misty morning
D7 **A5**
I come to you with love
D **A5**
All on a misty morning
G **F** **C** **A5**
I come to you, I come to you with love

A5 **D**
I talk to you as a lover should
A5 **D7**
With a voice close to your ear
A5 **D**
If I may get so near enough
A5 **D7** **A5**
Oh, you might hear, what I hear

D **A5**
It was all on a misty morning
D7 **A5**
I come to you with love
D **A5**
All on a misty morning
G **F** **C** **A5**
I come to you, I come to you with love

Em
Let my hands be nimble

Let my tongue be quick
G6
Let my loins move slowly

Against your skin
Em
Let my face and mind

Disappear for a while

G6

Let my kisses rain

Down like silk

D7

Let our spit and sweat

Mingle into one

G6

Let it form a stream of union

D7

G6

That would always run forever on

A5

It would have no start and know no end

A5

It would have no start and know no end
